TOWCON 2008

The Tugowner or Hirer, as well as all directors, officers, servants and agents of the same and

(c) all parties performing services within the scope of this Agreement for or on behalf of the Tug or Tugowner or Hirer as servants, agents and sub-contractors of such parties.

The Tugowner or Hirer shall be deemed to be acting as agent or trustee of and for the benefit of all such persons, entities and vessels set forth above but only for the limited purpose of contracting for the extension of such benefits to such persons, bodies and vessels.

27. War and Other Risks

(a) For the purpose of this Clause, the words:

(i) “War Risks” shall include any actual, threatened or reported:

- war; act of war; civil war; hostilities; revolution; rebellion; civil commotion; warlike operations; laying of mines; acts of piracy; acts of terrorists; acts of hostility or malicious damage; blockades (whether imposed against all vessels or imposed selectively against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever); by any person, body, terrorist or political group, or the Government of any State whatsoever, which, in the reasonable judgement of the Master and/or the Tugowners, may be dangerous or are likely to be or to become dangerous to the Tug, her Tow, crew or other persons on board the Tug or Tow.

(ii) “Other Risks” shall include any actual, threatened or reported:

- arrest or restraint of princes, rulers or people; insurrections; riots or civil commotions; disturbances; acts of God; epidemics; quarantine; labour troubles; labour obstructions; strikes; lock-outs; embargoes; seizure of the Tow under legal process or any other cause outside the control of the Tugowner as a result of which it would be impossible or unsafe or commercially impracticable for the Tug or Tow or both to enter or attempt to enter or leave or attempt to leave the place of departure or any port or place of call or refuge or to reach or attempt to reach or enter the port or place of destination of the Tow and there deliver the Tow and leave again, all of which safely and without unreasonable delay, the Tug may leave the Tow or any part thereof at the place of departure or any other port or place where the Hirer may take repossession and this shall be deemed a due fulfillment by the Tugowner of this Agreement and any outstanding sums and all extra costs of delivery at such place and any storage costs incurred by the Tugowner shall thereupon become due and payable by the Hirer.

(b) The Tug, unless prior written consent of the Tugowners has first been obtained, shall not be required to continue to or through, any port, place, area or zone (whether of land or sea), or any waterway or canal, where it appears that the Tug, her Tow, the crew or other persons on board the Tug or Tow, in the reasonable judgement of the Master and/or the Tugowners, may be, or are likely to be, exposed to War or Other Risks. Should the Tug be within any such place as aforesaid, which only becomes subject to War or Other Risks, or is likely to be or to become subject to War or Other Risks, after her entry into it, she shall be at liberty to leave such place or area.

(c) The Tugowners may effect war risks insurance in respect of the Hull and Machinery of the Tug and their other interests (including, but not limited to, loss of earnings and detention, the crew and their Protection and Indemnity Risks), and the premiums and/or calls therefor shall be for their account.

(ii) If the Underwriters of such insurance should require payment of additional premiums and/or calls because, pursuant to the Hirers’ orders, the Tug is within, or is due to enter and remain within, or pass through any area or areas which are specified by such Underwriters as being subject to additional premiums because of War Risks, then the actual additional premiums and/or calls paid shall be reimbursed by the Hirers to the Tugowners at the same time as the next instalment of the Lump Sum is due, or upon delivery of the Tow, whichever occurs first.

(d) If the Tugowners become liable under the terms of employment to pay to the crew of the Tug, or any riding crew of the Tow, any War Risk related bonus or additional wages in respect of sailing into a War Risk area, then the actual War Risk related bonus or additional wages paid shall be reimbursed to the Tugowners by the Hirers at the same time as the next payment of hire is due, or upon delivery of the Tow, whichever occurs first.

(e) The Tug shall have liberty:
(i) to comply with all orders, directions, recommendations or advice as to departure, arrival, routes, sailing in convoy, ports of call, stoppages, destinations, discharge of cargo, delivery, or in any other way whatsoever, which are given by the Government of the Nation under whose flag the Tug sails, or other Government to whose laws the Tugowners are subject, or any other Government, body or group whatsoever acting with the power to compel compliance with their orders or directions;

(ii) to comply with the orders, directions or recommendations of any war risks underwriters who have the authority to give the same under the terms of the war risks insurance;

(iii) to comply with the terms of any resolution of the Security Council of the United Nations, the effective orders of any other Supranational body which has the right to issue and give the same, and with national laws aimed at enforcing the same to which the Tugowners are subject, and to obey the orders and directions of those who are charged with their enforcement;

(iv) to call at any other port to change the crew or any part thereof or other persons on board the Tug or Tow when there is reason to believe that they may be subject to internment, imprisonment or other sanctions.

(f) If the performance of this Agreement or the voyage to the place of departure would in the ordinary course of events require the Tug and/or Tow to pass through or near to an area where after this Agreement is made there is or there appears to be danger of such area being blocked or passage through being restricted or made hazardous by War or Other Risks then:

(i) The Tug shall not be required to pass through any blockade, whether such blockade be imposed on all vessels, or is imposed selectively in any way whatsoever against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever, or to proceed to an area where she shall be subject, or is likely to be subject to, search and/or confiscation.

(ii) If the Tug has not entered such area en route to the place of departure, or having entered has become trapped therein, the Hirer shall pay a Delay Payment at the rate specified in Box 30 for every day of the resulting delay. Provided that if the delays under this Clause amount to more than 14 days in aggregate either party hereto shall be entitled to terminate this Agreement by giving notice in which event, save for liabilities already accrued, neither party shall be under any further liability to the other but the Tugowner shall not be bound to repay to the Hirer any payments already made and all amounts due shall remain payable.

(iii) If the Tug and Tow whilst en route to the place of destination have not entered such area during the course of the towage or other service the Hirer shall pay Delay Payment at the rate indicated in Box 30 for every day by which the towage is prolonged by reason of waiting for such area to become clear and/or safe and/or by reason of proceeding by a longer route to avoid or pass such area in safety.

(iv) If the Tug and Tow whilst en route to the place of destination have become trapped in such area during the course of the towage or other service, the Hirer shall pay a Delay Payment at the rate specified in Box 30 for every day of the resulting delay.

(g) If in accordance with their rights under the foregoing provisions of this Clause, the Tugowners refuse to proceed from the place of departure or to the place of destination, or any one or more of them, they shall immediately notify the Hirers requesting them to nominate a place for redelivery of the Tow. Failing such nomination by the Hirers within 48 hours of the receipt of such notice and request, the Tugowners may redeliver the Tow at any place where the Hirer can take repossession of the Tow.

(h) If in compliance with any of the provisions of this Clause anything is done or not done, such shall not be deemed a deviation, but shall be considered as due fulfilment of this Agreement.

28. Lien

Without prejudice to any other rights which he may have, whether in rem or in personam, the Tugowner, by himself or his servants or agents or otherwise shall be entitled to exercise a possessory lien upon the Tow in respect of any sum howsoever or whatsoever due to the Tugowner under this Agreement and shall for the purpose of exercising such possessory lien be entitled to take and/or keep possession of the Tow; provided always that the Hirer shall pay to the Tugowner by himself or his servants or agents or otherwise
all reasonable costs and expenses and all costs of recovering same, including legal fees, howsoever or
whatsoever incurred by or on behalf of the Tugowner by himself or his servants or agents or otherwise in
exercising or attempting or preparing to exercise such lien and the Tugowner by himself or his servants or
agents or otherwise shall be entitled to receive from the Hirer the Tug’s Delay Payment at the rate specified
in Box 30 for any reasonable delay to the Tug resulting therefrom.

29. Warranty of Authority
If at the time of making this Agreement or providing any service under this Agreement other than towing at
the request, express or implied, of the Hirer, the Hirer is not the owner of the Tow referred to in Box 4, the
Hirer expressly represents that he is authorised to make and does make this Agreement for and on behalf
of the owner of the said Tow and agrees that both the Hirer and the owner of the Tow are bound jointly and
severally by the provisions of this Agreement.

30. General
(a) If any one or more of the terms, conditions or provisions in this Agreement or any part thereof shall be
held to be invalid, void or of no effect for any reason whatsoever, the same shall not affect the validity of the
remaining terms, conditions or provisions which shall remain and subsist in full force and effect.

(b) For the purpose of this Agreement unless the context otherwise requires the singular shall include the
plural and vice versa.

31. Time for Suit
Save for the indemnity provisions under Clause 25 (Liability and Indemnity) of this Agreement, any claim
which may arise out of or in connection with this Agreement or of any towage or other service to be performed
hereunder shall be notified within 6 months of delivery of the Tow or of the termination of the towage or other
service for any reason whatever, and any suit shall be brought within one year of the time when the cause
of action first arose. If either of these conditions is not complied with the claim and all rights whatsoever and
howsoever shall be absolutely barred and extinguished.

Any extension of time granted by the Tugowner to the Hirer or any indulgence shown relating to the time limits
set out in this Agreement shall not be a waiver of the Tugowner’s right under this Agreement to act upon
the Hirer’s failure to comply with the time limits.

32. BIMCO ISPS/MTSA Clause 2005
(a) (i) The Tugowner shall comply with the requirements of the International Code for the Security of Ships
and of Port Facilities and the relevant amendments to Chapter XI of SOLAS (ISPS Code) relating to
the Tug and “the Company” (as defined by the ISPS Code). If trading to or from the United States or
passing through United States waters, the Tugowner shall also comply with the requirements of the US
Maritime Transportation Security Act 2002 (MTSA) relating to the Vessel and the “Owner” (as defined
by the MTSA).

(ii) Upon request the Tugowner shall provide the Hirer with a copy of the relevant International Ship Security
Certificate (or the interim International Ship Security Certificate) and the full style contact details of the
Company Security Officer (CSO).

(iii) Loss, damages, expense or delay (excluding consequential loss, damages, expense or delay) caused
by failure on the part of the Tugowner or “the Company”/“Owner” to comply with the requirements of the
ISPS Code/MTSA or this Clause shall be for the Tugowner’s account, except as otherwise provided in
this Agreement.

(b) (i) The Hirer shall provide the Tugowner and the Tugmaster with their full style contact details and, upon
request, any other information the Tugowner requires to comply with the ISPS Code/MTSA.

(ii) Loss, damages or expense (excluding consequential loss, damages or expense) caused by failure on
the part of the Hirer to comply with this Clause shall be for the Hirer’s account, except as otherwise
provided in this Agreement, and any delay caused by such failure shall be paid at the delay payment
rate stated in Box 30.

(c) Provided that the delay is not caused by the Tugowner’s failure to comply with its obligations under the
PART II
TOWCON 2008

ISPS Code/MTSA, the following shall apply:

(i) Notwithstanding anything to the contrary provided in this Agreement, the Vessel shall be entitled to tender
Notice of Readiness even if not cleared due to applicable security regulations or measures imposed by
a port facility or any relevant authority under the ISPS Code/MTSA.

(ii) Any delay resulting from measures imposed by a port facility or by any relevant authority under the ISPS
Code/MTSA shall be paid at the delay payment rate stated in Box 30, unless such measures result
solely from the negligence of the Tugowner, Tugmaster or crew or the previous trading of the Tug, the
nationality of the crew or the identity of the Tugowner’s managers.

(d) Notwithstanding anything to the contrary provided in this Agreement, any costs or expenses whatsoever
solely arising out of or related to security regulations or measures required by the port facility or any relevant
authority in accordance with the ISPS Code/MTSA including, but not limited to, security guards, launch services,
vessel escorts, security fees or taxes and inspections, shall be for the Hirer’s account, unless such costs or
expenses result solely from the negligence of the Tugowner’s, Tugmaster or crew or the previous trading of
the Tug, the nationality of the crew or the identity of the Tugowner’s managers. All measures required by the
Tugowner to comply with the Ship Security Plan shall be for the Tugowner’s account.

(e) If either party makes any payment which is for the other party’s account according to this Clause, the
other party shall indemnify the paying party.

33. BIMCO Dispute Resolution Clause

(a) *This Agreement shall be governed by and construed in accordance with English law and any dispute
arising out of or in connection with this Agreement shall be referred to arbitration in London in accordance
with the Arbitration Act 1996 or any statutory modification or re-enactment thereof save to the extent necessary
to give effect to the provisions of this Clause. The arbitration shall be conducted in accordance with the
London Maritime Arbitrators Association (LMAA) Terms current at the time when the arbitration proceedings
are commenced. The reference shall be to three arbitrators. A party wishing to refer a dispute to arbitration
shall appoint its arbitrator and send notice of such appointment in writing to the other party requiring the
other party to appoint its own arbitrator within 14 calendar days of that notice and stating that it will appoint
its arbitrator as sole arbitrator unless the other party appoints its own arbitrator and gives notice that it has
done so within the 14 days specified. If the other party does not appoint its own arbitrator and give notice
that it has done so within the 14 days specified, the party referring a dispute to arbitration may, without the
requirement of any further prior notice to the other party, appoint its arbitrator as sole arbitrator and shall
advise the other party accordingly. The award of a sole arbitrator shall be binding on both parties as if he
had been appointed by agreement.

Nothing herein shall prevent the parties agreeing in writing to vary these provisions to provide for the
appointment of a sole arbitrator.

In cases where neither the claim nor any counterclaim exceeds the sum of US$50,000 (or such other sum
as the parties may agree) the arbitration shall be conducted in accordance with the LMAA Small Claims
Procedure current at the time when the arbitration proceedings are commenced.

(b) *This Agreement shall be governed by and construed in accordance with Title 9 of the United States Code
and the Maritime Law of the United States and any dispute arising out of or in connection with this Agreement
shall be referred to three persons at New York, one to be appointed by each of the parties hereto, and the
third by the two so chosen; their decision or that of any two of them shall be final, and for the purposes of
enforcing any award, judgment may be entered on an award by any court of competent jurisdiction. The
proceedings shall be conducted in accordance with the rules of the Society of Maritime Arbitrators, Inc.

In cases where neither the claim nor any counterclaim exceeds the sum of US$50,000 (or such other sum
as the parties may agree) the arbitration shall be conducted in accordance with the Shortened Arbitration
Procedure of the Society of Maritime Arbitrators, Inc. current at the time when the arbitration proceedings
are commenced.

(c) *This Agreement shall be governed by and construed in accordance with the laws of the place mutually
agreed by the parties and any dispute arising out of or in connection with this Agreement shall be referred
to arbitration at a mutually agreed place, subject to the procedures applicable there.

(d) Notwithstanding (a), (b) or (c) above, the parties may agree at any time to refer to mediation any difference
and/or dispute arising out of or in connection with this Agreement. In the case of a dispute in respect of which arbitration has been commenced under (a), (b) or (c) above, the following shall apply:-

(i) Either party may at any time and from time to time elect to refer the dispute or part of the dispute to mediation by service on the other party of a written notice (the “Mediation Notice”) calling on the other party to agree to mediation.

(ii) The other party shall thereupon within 14 calendar days of receipt of the Mediation Notice confirm that they agree to mediation, in which case the parties shall thereafter agree a mediator within a further 14 calendar days, failing which on the application of either party a mediator will be appointed promptly by the Arbitration Tribunal (“the Tribunal”) or such person as the Tribunal may designate for that purpose. The mediation shall be conducted in such place and in accordance with such procedure and on such terms as the parties may agree or, in the event of disagreement, as may be set by the mediator.

(iii) If the other party does not agree to mediate, that fact may be brought to the attention of the Tribunal and may be taken into account by the Tribunal when allocating the costs of the arbitration as between the parties.

(iv) The mediation shall not affect the right of either party to seek such relief or take such steps as it considers necessary to protect its interest.

(v) Either party may advise the Tribunal that they have agreed to mediation. The arbitration procedure shall continue during the conduct of the mediation but the Tribunal may take the mediation timetable into account when setting the timetable for steps in the arbitration.

(vi) Unless otherwise agreed or specified in the mediation terms, each party shall bear its own costs incurred in the mediation and the parties shall share equally the mediator’s costs and expenses.

(vii) The mediation process shall be without prejudice and confidential and no information or documents disclosed during it shall be revealed to the Tribunal except to the extent that they are disclosable under the law and procedure governing the arbitration.

(Note: The parties should be aware that the mediation process may not necessarily interrupt time limits.)

(e) If Box 40 is not appropriately filled in, sub-clause (a) of this Clause shall apply. Sub-clause (d) shall apply in all cases.

*Note: Sub-clauses (a), (b) and (c) are alternatives; indicate alternative agreed in Box 40.

34. Security for Claims

Either party shall have the option to bring proceedings in rem, but only to obtain security or other similar remedy for claims arising under this Agreement against any vessel or property owned by the other party in any state or jurisdiction where such vessel or property may be found.

35. BIMCO Notices Clause

(a) All notices given by either party or their agents to the other party or their agents in accordance with the provisions of this Agreement shall be in writing.

(b) For the purposes of this Agreement, “in writing” shall mean any method of legible communication. A notice may be given by any effective means including, but not limited to, cable, telex, fax, e-mail, registered or recorded mail, or by personal service.
